Lloyd's Remedies Apothecary
3696 West Main St.
Gray, La. 70359

Dear Lloyd,

Thank you for your continued communication with the Pharmacy Compounding Accreditation Board (PCAB®). On behalf of PCAB, please accept my congratulations; Lloyd's Remedies Apothecary has earned the designation "PCAB Accredited™ compounding pharmacy."

Lloyd's Remedies Apothecary is the second pharmacy in the state of Louisiana to earn the Pharmacy Compounding Accreditation Board Seal of Accreditation. PCAB was created by the leading organizations in pharmacy for the purpose of recognizing those compounding pharmacies that have demonstrated their outstanding commitment to quality. Lloyd's Remedies Apothecary has been tested against an extremely challenging set of national standards created by the some of the experts in pharmacy compounding today, and Lloyd's Remedies Apothecary has passed.

With your pharmacy's designation as a PCAB Accredited™ compounding pharmacy, your patients and the practitioners with whom you work can know that the Lloyd's Remedies Apothecary ranks among the best compounding pharmacies in the country for quality. This is visible evidence of your commitment to your patients and the pharmacy profession.

Please accept my congratulations on behalf of the pharmacy profession and the patients you serve.

With warm regards, I remain,

Sincerely yours,

Tom Murry, PharmD, Esq
